

Teledyne Reynolds, Inc.  
5005 McConnell Avenue  
Los Angeles, CA 90066

May 1, 2008

To: **Teledyne Reynolds Suppliers**  
Subject: **New Supplier Quality Assurance Codes**

Effective this date, new document QSF-106-8, Supplier Quality Assurance Provisions (Replaces SQAP-100), is in effect, replacing SQAP-100, Supplier Quality Assurance Codes, dated 03/02, which has been cancelled.

QSF-106-8 will be posted electronically in the "Supplier Portal" folder at [www.teledynereynolds.com](http://www.teledynereynolds.com). As revisions will be posted when released, suppliers are encouraged to verify the revision upon receipt of Teledyne Reynolds purchase orders.

Unless otherwise specified in the Teledyne Reynolds purchase order, suppliers will be responsible for compliance to the revision date of QSF-106-8 *in effect on the date of the Teledyne Reynolds purchase order*. SQAP-100 will still apply to pre-existing Teledyne Reynolds purchase orders dated prior to 05-01-08.

Thank you in advance for your cooperation and continuing support!
